Mr. Ronald S. Salz
Hawaii Geographic Information Coordinating Council
P.O. Box 10678
Honolulu, HI 96816

Dear Mr. Salz,

Congratulations! Your proposal for the 2008 National Spatial Data Infrastructure Cooperative Agreements Program (NSDI CAP), Category 3: Fifty States Initiative has been recommended at the funding level requested. Please forward this information to others who will be involved in the project.

In about two weeks your organization will be contacted by the USGS Office of Acquisitions and Grants to formally establish the cooperative agreement. The assistance award paperwork will include information about setting up the method of payment, required deliverables, contacts, and other important information. Please note the funds for the project are not available until you receive the assistance award signed by the USGS Contracting Officer. Administration guidance for the NSDI CAP is available on the FGDC web site, see <http://www.fgdc.gov/grants/CAPAdministrativeGuidance>.

For scheduling purposes the NSDI CAP kick off meeting will be held on March 9, 2009 at the National States Geographic Information Council Mid year meeting in Annapolis, Maryland. At least one person from your project should plan on attending this meeting.

Milo Robinson (mrobinson@usgs.gov, 703-648-5162) is the category lead for technical project questions. General questions about the CAP can be directed to me.

Sincerely,

Gita Urban-Mathieux
NSDI CAP Coordinator
