A Changing Board of Directors

Message from the President:

Alpha HIGCC, Oahu.

The HIGCC Board of Directors is changing. HIGCC is fortunate to have benefited from the leadership, experience, generosity, and commitment of HIGCC President Michael Bialk...

For HIGCC Board of Directors Special Meetings held on January 18th and January 22nd of 2024, Clare Mamura was elected as HIGCC President and Joey Furler was elected as HIGCC Vice President...

It is an honor to serve HIGCC, our geographical community, and our stakeholders. It is with great pride that we, as a Board of Directors, introduce the great and much-anticipated community for generations to come, just as previous generations have done for us.

Mahalo ma ka,
Clare Mamura
HIGCC President

GISCI GIS Professional Certification

Thank you HIGCC Members for joining our HIGCC Members Only GIS Certification Institute (GISCI) Four Webinar Series.

HIGCC provided the GIS Certification Institute (GISCI) 4-Part Webinar Series to our HIGCC Members throughout the month of January to kick off the year right GISCI professionals, Tony Felton, talked about the GISCI organization, how the GIS Professional (GISP) certification process works, and the importance of the GSP within the geospatial industry.

If you are a HIGCC member and was not able to attend, recordings have been made available to you and sent via email.

The GIS Certification Institute (GISCI) is a nonprofit 501(c)(3) organization incorporated in 2002. The GIS Certification Institute (GISCI) promotes the advancement of proficient GIS professionals through its international GISP (Certified GIS Professional) certification program. The Institute fosters rigorous professional and ethical standards, community engagement, and professional mentoring within the GIS industry.

If you would like to learn more about GISCI, visit: www.giscert.org

URISA GIS Leadership Academy

Want URISA's GIS Leadership Academy to be held in Hawaii in 2025? We Need Your Vote by February 29, 2024. URISA's GIS Leadership Academy is a 5-day training program held throughout the country. However, if we receive at least 40 people expressing interest in attending via poll, by February 29, 2024, URISA would be able to schedule training 101 opportunities here in Hawaii!

MAPPS 2024 Annual Winter Conference

The MAPPS 2024 Annual Winter Conference was held January 14-17, 2024 at the Hilton Hawaiian Village in Waikiki on the island of Oahu. On January 17th, Clare Mamura presented to attendees, sharing information about the HIGCC organization, its member membership, mission, and role in the geospatial community...

MAPPS is a 501(c)(3) non-profit organization. If you would like to learn more about MAPPS, visit: <https://www.mapps.org>

Mark Lierman Memorial Scholarship

The Mark Lierman Memorial Scholarship is a \$2,000 scholarship that recognizes deserving students who have demonstrated an appreciation for and understanding of geospatial data and geospatial information systems (GIS). Applicants must be enrolled at an accredited college or university for the Award year and have graduated from a high school in Hawaii or be attending school in Hawaii.

Instructions, eligibility requirements, and applications will be available soon! We will announce the opening and closing dates, please feel free to share information with potential eligible students.
